EDUCATION

Umm Al-Qura University — B.Sc. Software Engineering

Aug 2022 — Jun 2026

College of Computing | **GPA: 3.67/4.00** (Excellent · Second Honors)

- Graduated **28 June 2026**; 164 credit hours; second honors (**3.67/4.00**).

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, SQL, HTML/CSS

Frameworks & Tools: Node.js, Express.js, Laravel, Svelte, Inertia.js, Pest, Filament, Git, GitHub Actions

Databases: MySQL

Practices: REST APIs, RBAC, automated testing, CI/CD, SRS documentation, bilingual (AR/EN) UI

EXPERIENCE

Co-op Trainee — IT Department

Jul 2025 — Dec 2025

King Abdulaziz Hospital (Al-Zahir), Mecca — Ministry of Health

- Developed and deployed **2 full-stack internal systems** on the hospital production server (Node.js, Express, MySQL): role-based dashboards and HR request pages with REST APIs; maintenance/data-center module with ticketing, server monitoring, and backup workflows.
- Built **17+ digital HR forms** and multi-step approval workflows, streamlining report routing and reducing manual processing across departments.
- Shipped a **bilingual Arabic/English** interface in a live healthcare IT environment.
- Delivered **67 passing automated tests**, CSP security headers, and rate limiting before go-live.
- Received a **Certificate of Appreciation** from hospital leadership.

PROJECTS

Ruwad — Student Clubs Platform (Graduation Project)

2025 — 2026

Umm Al-Qura University | [ruwad.space](#)

- Led key modules on a team-built platform using **Laravel 13, Svelte 5, and Inertia.js** for clubs, events, and volunteer hours.
- Mapped implementation to an **SRS** with **18+ Pest tests**, 9 Eloquent factories, and 11 seeders.
- Shipped bilingual PDF reports, RTL/i18n (21 translation groups), and GitHub Actions CI on live deployment.

CERTIFICATIONS & TRAINING

Completed

Build Your Portfolio Website with HTML and CSS — Coursera Project Network (Nov 2023)

Work Smarter, Not Harder: Time Management — UC Irvine / Coursera (Jul 2023)

Java Calculator with Java and JavaFX — Coursera Guided Project (Oct 2023)

Languages: Arabic (Native) | English (Intermediate — B1)
